Dear Sumon,

### Outstanding Teacher of the Year

We recently met to discuss nominations from students for Outstanding Teacher of the Year. Although, on this occasion, you were not the winner, I wanted to congratulate you personally and to let you know that you are really appreciated for your inspirational teaching.

Your nomination came from Christiane Bergner, who says

*“What makes Sumon Bhaumik such an excellent teacher is that he is:  
Determinant but not dominant,  
Knowledgeable and clever but not smark-aleck,  
Very open minded and approachable for students’ needs but not submissive and  
Very demanding but not unrealistic.”*

Many congratulations
